

SPONSORSHIP

Site Sponsorship

'Site sponsor', This could be a Realtor, Bank, Radios Station, Insurance Agent, or any other business that would like to take credit for providing this app to their community. The site sponsor gets front page billing as the 'Brought to your by' sponsor. They should also get a direct link to their website, a business listing with a map to their business, and free coupon listings

Suggested price: \$1200 - per year

Page Sponsorship

'Page Sponsor'. Your sports page may have a sporting goods store or your Real Estate page may have a Realtor. These spots will link to the advertiser's webpage.

Suggested price: \$500 per year

Quick Call Link

Quick Call Links' then the link is pushed, it calls the business directly. This is perfect for the things like for ordering pizza or calling a cab. Companies (missing word) you to be the only quick call link for that particular kind of business.

Suggested price: \$300 -\$500 per year

Direct Icon Link

You can place an Icon for a business on any page. These icons can be linked to a business's webpage, or to a coupon page you make for the business.

Suggested price: \$300 \$500 per year

Business Listings

Your site contains a business directory, which you create. The businesses you put in the directory would be "Geo-Located", so it is possible for you to search "Restaurants" and the restaurant closest to your location will show up first.

Suggested price: \$99 - \$199 per year

Redeemable Coupon

You have the ability to add redeemable coupons for any business. These can be tracked to see how many are doing being redeemed for each business. You can charge for these, but you can also give them away to generate traffic to your site.
